To purchase tickets or to make a donation to music therapy online, go to www.goddardhouse.org

Please RSVP by March 31, 2010

Proceeds of this benefit will be used to support clinical music therapy programs at Goddard House. Music therapy is a form of complementary medicine that enables our frail residents and those with dementia to reach optimal levels of functioning and wellness. A non-reimbursable service, music therapy is funded almost entirely by donations.
