“Then I was...now I am...”

Photographs by Lora Brody

We are pleased to announce that Lora Brody's Reunion Project exhibit, featuring many familiar Brookline Senior Center, Center Communities, and Goddard House faces, will once again be on display in Hunneman Hall, Brookline Public Library Village Branch from January 16-March 13, 2018.

There will also be a RECEPTION in Hunneman Hall on Saturday, January 20 from 2-4 pm so be sure to stop in then to see the exhibit, hear from Lora Brody, and meet some of the participants. It is sure to be a lovely afternoon!
